

SOFTWARE LICENSING AGREEMENT

INSTRUCTIONS

Overview

Software Licensing Agreements set forth the terms by which licensees can use proprietary software developed by the licensor. Software Licensing Agreements are crucial for software developers to protect the time and resources they put into creating software. By licensing, rather than selling, software, developers can retain ownership rights and (theoretically) control distribution while disclaiming warranties and limiting their liability surrounding the software.

Software Licensing Agreements will vary based upon the nature of the software being licensed but some of the most important clauses address terms of installation, upgrades, bug fixes, transferability and warranties.

This license is expressly limited to [licensed number] personal computers on Licensee's LAN. In the event that Licensee desires to add more PCs to the LAN, it shall notify Licensor of such fact, provide Licensor with the serial numbers of the additional PCs to be added, and agree to pay the Additional User Fee recited in Schedule A attached hereto.

No right or license is being conveyed to Licensee to use the Software at any other location.

Licensee is prohibited from making any copies, archival or otherwise, of the Software. Licensee is further prohibited from using the Software in any manner other than as described above.

2. TERM.

This Agreement shall be effective as of the date of execution by both parties and shall extend for the period of [term years] year(s) thereafter (the "Initial Term"). This Agreement shall be automatically renewed for [additional automatic renewal number of years] year(s) [the "Extended Term(s)"] unless Licensee provides the Licensor notice in writing of its intention not to renew the Agreement, said notice to be provided at least [number of days notice, ex. 30] days prior to the expiration of the then in-effect Term.

3. COMPENSATION.

In consideration for the licenses granted hereunder and during the Initial Term of the Agreement and for each Extended Term, Licensee agrees to pay to Licensor the User Fee recited in Schedule A (the "User Fee") in accordance with the Fee Payment Schedule recited in Schedule A. In the event that Licensee should add additional personal computers to the [LAN] currently being licensed, Licensee agrees to pay Licensor an Additional User Fee per computer as recited in Schedule A attached hereto, prorated in accordance herewith when such additional computers are added to the LAN.

At the time of installation, Licensee agrees to pay Licensor the Installation Fee recited in Schedule A attached hereto. In the event that additional installations are required, Licensee agrees to pay the Additional Installation Fee recited in Schedule A prior to such additional installations.

4. INTELLECTUAL PROPERTY AND CONFIDENTIALITY.

Licensor will retain exclusive interest in and ownership of its intellectual property rights in and to the Software and expressly reserves all rights not expressly granted under this agreement. Licensee recognizes that the Software is the proprietary and confidential property of Licensor. Accordingly, Licensee shall not, without the prior express written consent of Licensor, during the term of this Agreement and for additional years thereafter, disclose or reveal to any third party or utilize for its own benefit other than pursuant to this Agreement, any Software provided by Licensor, provided that such information was not previously known to Licensee or to the general public. Licensee further agrees to take all reasonable precautions to preserve the confidentiality of Licensor's Software and shall assume responsibility that its employees, sub-licensees, [and assignees (optional: depending on type of agreement)] will similarly preserve this information against third parties. The provisions of this clause shall survive termination of this Agreement.

[Optional: "Liquidated Damages" clause in case client breaches the confidentiality clause]
Licensee shall take no steps in attempting to reverse engineer the Software.

5. INSTALLATION, TRAINING, AND ACCEPTANCE.

Licensor shall install the Software on Licensee's server in accordance with the Delivery Schedule recited in Schedule A attached hereto. At the time of such installation, Licensor shall provide Licensee with appropriate documentation for the Software reasonably acceptable to Licensee and a sufficient number of user manuals for each PC on the LAN.

At the time of installation of the Software and for no additional consideration, Licensor shall train at least [number of employees] of Licensee in the use of the Software at Licensee's facility. Subsequent to the installation of the Software, Licensor agrees to provide additional training to Licensee's employees at Licensor's facilities for a fee of [Training Fee] Dollars [(\$__)] per day per employee.

In the event that Licensee fails to notify Licensor of any difficulties or problems with the Software within [Acceptance Period] days after installation thereof, Licensee shall be deemed to have accepted the Software. Prior to acceptance of such Software, Licensor shall have the right to repair or replace the Software at its discretion. Upon acceptance of such Software, Licensor shall be under no obligation to repair or replace such Software except as provided for in the Warranties provision of this Agreement.

6. WARRANTIES.

Licensor represents and warrants that, to Licensor's knowledge, the Software does not infringe the intellectual property rights or other rights of any third party.

Licensor warrants that the Software will perform in accordance with the specifications provided to Licensee, [a copy of which will be added to this Agreement], as determined by Licensor. **THE WARRANTY PROVIDED FOR HEREIN IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, THAT MAY ARISE EITHER BY AGREEMENT BETWEEN THE PARTIES OR BY OPERATION OF LAW, INCLUDING THE WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

In the event of a claim by Licensee under this warranty, Licensor shall have the option to either repair or replace the Software. In the event that Licensor fails to repair or replace the Software within a reasonable period, Licensee's sole recourse shall be to terminate the Agreement and Licensor's sole obligation shall be to return any User and Installation Fees paid by Licensee. In no event shall Licensor be liable for any incidental, consequential, or punitive damages as a result of its performance or breach of this Agreement.

7. IMPROVEMENTS AND MAINTENANCE.

[Optional: For a period of [Term of free updates]], Licensor will provide to Licensee, at Licensor's sole expense, any improvements, modifications, updates, extensions and enhancements that Licensor makes to the Software and that Licensor offers to other Licensees of the Software. Any such improvements, modifications, updates, extensions and enhancements shall be automatically included in this Agreement. [Optional: During this term] Licensor shall further provide Licensee with bug fixes and code corrections to correct Software malfunctions and defects in order to bring the Software into substantial conformity with its operating specifications, as determined by Licensor. Licensor may, but will not be required to, provide these maintenance services if Licensee has modified the Software or is in default.

9. POST-TERMINATION RIGHTS.

Upon expiration or termination of this Agreement, Licensor may require that Licensee transmit to Licensor, at no cost, all material relating to the Software, provided, however, that Licensee shall be permitted to retain a full copy of all material subject to the confidentiality provisions of this agreement.

10. INDEMNITY.

Licensee (as an indemnifying party) shall indemnify Licensor (as an indemnified party) against all losses and expenses, including reasonable attorneys fees, in connection with any proceeding arising out of Licensee's unauthorized customization, modification, or other alterations to the Software, including claims that its customization, modification, or other alterations infringe a third party's Intellectual Property rights.

14. WAIVER.

No waiver by either party of any default shall be deemed as a waiver of any prior or subsequent default of the same or other provisions of this Agreement.

15. SEVERABILITY.

If any provision hereof is held invalid or unenforceable by a court of competent jurisdiction, such invalidity shall not affect the validity or operation of any other provision and such invalid provision shall be deemed to be severed from the Agreement.

16. ASSIGNABILITY.
